Meeting held with the representatives of BRSA

A meeting of the representatives of BRSA (Banking Regulation and Supervision Agency) and the representatives of the Banking Agency of the Federation of BiH, Banking Agency of RS and C BBiH was held today in the premises of the C BBiH in Sarajevo.

The meeting was organized based on the previously signed memorandum of understanding between these parties. The participants, through the cooperation and open exchange of opinion, starting with the regulatory and economic conditions in BiH and Turkey from which the representatives of BRSA come from, discussed the condition in the banking sector, possibilities for improvement of the bilateral cooperation in supervision, as well as the acceptance of BRSA into the group of the banking examiners of the Central and Eastern Europe (BSCEE).

Also, at the meeting special attention was given to the strengthening of the regulatory functions as a key factor for improving the stability of the banking system and maintaining the financial stability.
